Forecast For Scotland
Issued by Met Office Aberdeen
at 1600 on Saturday 20 Nov 2021

++ Valid for broadcast between 1800 and 0600

Headline:
Cold showery northerly initially Sunday, will gradually weaken.

This Evening and Tonight:
A largely dry evening and night in the south with largely clear skies. Frequent often heavy showers across the north, wintry on high ground. Risk ice towards dawn in rural north.

Sunday:
Feeling cold. Dry and sunny for much of central and south. Showers in north, wintry on high ground, becoming isolated and largely confined to far east by late afternoon.

Outlook for Monday to Wednesday:
Mainly dry and a little milder on Monday and Tuesday but a few showers in the north. Turning colder again Wednesday, breezy with rain then showers, wintry on high ground.
